

An incentive of the Australian Radix Training Centre

Radix Online Reading Program

The Radix Online Reading Program is a 9 month reading program for anyone interested in learning more about the theory of Radix, considering entering the training program in the future, or invested in their own personal growth journey.

Each month participants receive a collection of readings to work through, followed by an online discussion group where they will have the opportunity to share their understanding and insights, deepen their connection to the month's readings, and ask questions. These discussions will be facilitated by a certified Radix practitioner. The readings will build on each other progressively and will serve to give the reader an overview of the theory and application of Radix therapy and personal growth work.

Fees: \$50 per month

Payment of 1st and last month prior to commencement, following payments are made monthly prior to receiving monthly reading materials.
